

Massachusetts Recovery Learning Communities

Peer Support For Massachusetts

Please join Sen. Jason Lewis in his effort to restore \$409,000 to the Recovery Learning Communities in the Dept. Mental Health line item 5046-000.

The House voted to restore the funding to the \$3.4 level after the Governor cut the item by 50%.

\$409,00 is the equivalent of 10 FTEs across the six RLCs.

Please call Sen Lewis and join as a co-sponsor!

Thank you for this consideration!

This amendment is supported by the Disability Policy
